## A BILL

To amend the Public Health Service Act to provide for cooperative governing of individual health insurance coverage offered in interstate commerce.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2       This Act may be cited as “Health Care Choice Act  
3 of 2007”.

4 **SEC. 2. SPECIFICATION OF CONSTITUTIONAL AUTHORITY**  
5 **FOR ENACTMENT OF LAW.**

6       This Act is enacted pursuant to the power granted  
7 Congress under article I, section 8, clause 3, of the United  
8 States Constitution.

9 **SEC. 3. FINDINGS.**

10       Congress finds the following:

11           (1) The application of numerous and significant  
12 variations in State law impacts the ability of insur-  
13 ers to offer, and individuals to obtain, affordable in-  
14 dividual health insurance coverage, thereby impeding  
15 commerce in individual health insurance coverage.

16           (2) Individual health insurance coverage is in-  
17 creasingly offered through the Internet, other elec-  
18 tronic means, and by mail, all of which are inher-  
19 ently part of interstate commerce.

20           (3) In response to these issues, it is appropriate  
21 to encourage increased efficiency in the offering of  
22 individual health insurance coverage through a col-  
23 laborative approach by the States in regulating this  
24 coverage.

25           (4) The establishment of risk-retention groups  
26 has provided a successful model for the sale of insur-

1       ance across State lines, as the acts establishing  
 2       those groups allow insurance to be sold in multiple  
 3       States but regulated by a single State.

4   **SEC. 4. COOPERATIVE GOVERNING OF INDIVIDUAL**  
 5       **HEALTH INSURANCE COVERAGE.**

6       (a) IN GENERAL.—Title XXVII of the Public Health  
 7   Service Act (42 U.S.C. 300gg et seq.) is amended by add-  
 8   ing at the end the following new part:

9       “PART D—COOPERATIVE GOVERNING OF INDIVIDUAL  
 10           HEALTH INSURANCE COVERAGE

11   **“SEC. 2795. DEFINITIONS.**

12       “In this part:

13           “(1) PRIMARY STATE.—The term ‘primary  
 14       State’ means, with respect to individual health insur-  
 15       ance coverage offered by a health insurance issuer,  
 16       the State designated by the issuer as the State  
 17       whose covered laws shall govern the health insurance  
 18       issuer in the sale of such coverage under this part.

19       An issuer, with respect to a particular policy, may  
 20       only designate one such State as its primary State  
 21       with respect to all such coverage it offers. Such an  
 22       issuer may not change the designated primary State  
 23       with respect to individual health insurance coverage  
 24       once the policy is issued, except that such a change  
 25       may be made upon renewal of the policy. With re-

2       to be doing business in that State.

3               “(2) SECONDARY STATE.—The term ‘secondary  
4       State’ means, with respect to individual health insur-  
5       ance coverage offered by a health insurance issuer,  
6       any State that is not the primary State. In the case  
7       of a health insurance issuer that is selling a policy  
8       in, or to a resident of, a secondary State, the issuer  
9       is deemed to be doing business in that secondary  
10      State.

11              “(3) HEALTH INSURANCE ISSUER.—The term  
12      ‘health insurance issuer’ has the meaning given such  
13      term in section 2791(b)(2), except that such an  
14      issuer must be licensed in the primary State and be  
15      qualified to sell individual health insurance coverage  
16      in that State.

17              “(4) INDIVIDUAL HEALTH INSURANCE COV-  
18      ERAGE.—The term ‘individual health insurance cov-  
19      erage’ means health insurance coverage offered in  
20      the individual market, as defined in section  
21      2791(e)(1).

24      to a health insurance issuer in a State, the State in-  
25      surance commissioner or official or officials des-

1       ignated by the State to enforce the requirements of  
2       this title for the State with respect to the issuer.

3               “(6) HAZARDOUS FINANCIAL CONDITION.—The  
4       term ‘hazardous financial condition’ means that,  
5       based on its present or reasonably anticipated finan-  
6       cial condition, a health insurance issuer is unlikely  
7       to be able—

8               “(A) to meet obligations to policyholders  
9       with respect to known claims and reasonably  
10      anticipated claims; or

11              “(B) to pay other obligations in the normal  
12      course of business.

13              “(7) COVERED LAWS.—

14              “(A) IN GENERAL.—The term ‘covered  
15      laws’ means the laws, rules, regulations, agree-  
16      ments, and orders governing the insurance busi-  
17      ness pertaining to—

19      erage issued by a health insurance issuer;

20              “(ii) the offer, sale, rating (including  
21      medical underwriting), renewal, and  
22      issuance of individual health insurance cov-  
23      erage to an individual;

15 clude any law, rule, regulation, agreement, or  
16 order governing the use of care or cost manage-  
17 ment techniques, including any requirement re-  
18 lated to provider contracting, network access or

23       “(j) STATE POWERS TO ENFORCE STATE LAWS.—

24              “(1) IN GENERAL.—Subject to the provisions of  
 25       subsection (b)(1)(G) (relating to injunctions) and

2 strued to affect the authority of any State to make  
3 use of any of its powers to enforce the laws of such  
4 State with respect to which a health insurance issuer  
5 is not exempt under subsection (b).

6 “(2) COURTS OF COMPETENT JURISDICTION.—
